5 a matter before the Office of Administrative Hearings.
6 VN, Administrative Law Judge is conducting this hearing

22 have both parties' exhibit notebooks and I'll make sure to
23 review both of those, uh, each day. Would you like to
24 make an opening statement, Miss B?

25 LB: Um, I believe you've already addressed just a

27 um, claimant is eligible for RC services with the
28 diagnosis of autism, um, as identified in Section 4512 of

1 the Welfare and Institution Code, um, in Title 17. And
2 second would be whether or not she has a substantial

4 Code in Title 17, uh, having a minimum of three areas as
5 related to her recent diagnosis of epilepsy from Dr. C as
6 well as autism. So si -- it was the request essentially
